

## Recommended Activities for staff & students.

The [Theatre Green Book](#) website is a huge amount of information so I have broken it down into some bite size chunks for easy reference.

- The Theatre Green Book Intro film ( 10 mins watch ) *A great starting point for understanding what the TGB is and how to use it for all theatre professionals.*

### [Theatre Green Book Introduction](#)

- The Theatre Green Book Version 2 ( 15 min read) *The actual framework. The basic principles of the TGB method.*

### [TGB\\_v2](#)

- The National Theatre Green Agenda film ( 6mins watch) *An inspiring and motivational film from the NT for all theatre professionals .*

### [Theatre Green Book | A Sustainable Manifesto | National Theatre](#)

- The Toolkits ( 1-2 minutes read each) *Bitesize specific resources and ideas for every department including costume, scheduling, budgeting, acting contracts, dance, stage management, props etc.*

### [Sustainable Productions toolkit | Theatre Green Book](#)

- The TGB Production Calculator Instruction Film ( 22mins) *A step by step guide of how to input data into the production calculator, commonly referred to as the tracker. This is useful for the production teams including the creatives so that everyone understands the process and impact.*
